Health Declaration (Mobile)

1. Health declaration is now available on mobile.

2. Click on the Health Declaration, answer the questions and click Declare.

The screenshot shows the 'Health Declaration' form. At the top, there is a blue header with a back arrow and the text 'Health Declaration'. Below the header, there are two tabs: 'Application' (active) and 'History'. The 'Application' tab contains a green 'Declare' button. Below the button, there are three questions, each with 'Yes' and 'No' radio button options:

- 1. Do you have fever (38° or higher)?
☐ Yes ☐ No
- 2. Do you have cough?
☐ Yes ☐ No
- 3. Do you have difficulty in breathing?
☐ Yes ☐ No

3. Below message will be shown once declaration is successfully done.
