Payslip Setting ^{New}

A new setting to display customized payslip information has been added to **E-Pay** module. Admins are now allowed to select the type of information to be displayed in employee's payslips for their respective companies.

A new tab has been added to the E-Pay module, called **Payslip Setting**, with options such as IC/ID number, statutory and so on. Admins simply need to select whether the information should be shown or hidden from employee payslip. The changes are automatically reflected once the slider has been clicked.

Employee Profile

Multiple Payment Method ^{New}

Multiple Payment Method feature is now available in EmplX system. This feature allows admin to customize employee payment methods with multiple payment options at a time. This feature is available in both **Add** and **Edit** Mode for **Employee Profile**.

The **Payment Method** field has been revamped to a new section accommodate the multiple payment method feature. Admin is now allowed to setup employee payment method with 3 different types of payment (Bank/Cash/Cheque) based on either percentage or amount. Admin is also able to setup effective date of future payment methods and duplicate previous payment method records.

Furthermore, **Payee Bank** and **Bank Account** field has been renamed to **Default Payee Bank** and **Default Bank Account**, and moved to a new section, **Bank Information**, for a better user experience.

Employee Profile (Add):

Before:

Employee Profile ^{without} Payment Method and Bank Information section

The screenshot displays the 'Employee Profile (Add)' form. The 'Payment Info' section is highlighted with a yellow border. It contains the following fields:
